Regional Accent and Pronunciation Bias Given its focus on Indian learners, some pronunciation guides and dialogues may reflect regional accents, which might not be suitable for learners aiming for a neutral or international accent. Digital Transition Variability Some editions or versions may lack comprehensive digital resources, which could impact learners who prefer online and multimedia learning formats. Requires Self-Motivation Like all self-study courses, success depends heavily on a learner's dedication and discipline. Without consistent practice, progress may plateau. Is Rapidex English Speaking Suitable for You? Deciding whether Rapidex is the right course depends on your specific goals, learning style, and current proficiency level. Who Should Consider Rapidex? Beginners seeking a straightforward, practical approach to spoken English. Learners with limited access to formal classes. Individuals who prefer self-paced, affordable learning resources.
